Liberty's chauffeur-driven Turkis and white '63 Split, 'Dylan', is based in Yorkshire, but has ventured as far as the Isle of Man to chauffeur

a wedding, so no wedding is too far. Or if you fancy driving yourself, there's 'Daisy' the company's white Bay Window. The Bus comes dressed with ribbons front and back and a couple of streamers for effect on the wing mirrors.

With plenty of weddings booked already for this year,

Liberty Campers would be only too glad to hear your plans and see if they can accommodate you.

Your comment: "I hired Dylan as a surprise present for a friend's civil partnership and they absolutely loved him! Both being Camper lovers and hoping to own one in the future, their faces were priceless!" – Lizzie
